DMZ Chardonnay 2019

WINEMAG.CO.ZA

Everything to do with South African fine wine.

92 POINTS

“The nose shows some flinty reduction before lemon, grapefruit and pineapple while the palate shows very good fruit purity and concentration with racy acidity and a pithy finish. It's rich but still very stylish and the result is that it very much over-delivers on quality relative to price.”

About Winemag.co.za

Everything to do with South African fine wine. This publication features some of the top South African wine reviewers in the industry who bring decades of expertise to their reviews. Wine Magazine was published until September 2011 and now lives on in digital form as winemag.co.za.
