92 POINTS

“The 2020 G Lot Chardonnay comes from a warmer year when they picked 20 days earlier than usual. It fermented in French barrels where it matured for eight months. It has a very balsamic profile, it's still very young and the ripeness is contained, similar to the 2019 I tasted next to it. It's creamy and floral, with good freshness and a compact mouthfeel. 30,000 bottles produced. It was bottled in October 2020.”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
