**91 POINTS**

“Like other wines from the portfolio, the 2021 Laborde Double Select Syrah is fresher than its 2020 counterpart and has better definition, more depth, freshness and balance. It still has limited varietal character, but it's juicy and straightforward with a medium to full-bodied palate and polished tannins.”

#### About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
