EL ENEMIGO

Malbec 2018

Robert Parker
WINE ADVOCATE

93 POINTS

“The 2018 Malbec has some 8% Cabernet Franc in the blend, and it has only 13.5% alcohol while retaining very good acidity. The grapes were sourced from Gualtallary and were co-fermented. It's a serious, subtle and mineral Malbec, with some austerity and shy varietal aromas of violets and wild herbs. The palate is medium-bodied with terrific texture and very clean and focused flavors, and it has the chalky texture from the limestone-rich soils. 28,000 bottles produced. It was bottled in July 2019 after 12 months in ancient oak foudres.”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
