WINE ADVOCATE

93 POINTS

“It's always interesting to compare different vintages of the same wine, in this case the 2019 Malbec with the following two years. It has 8% Cabernet Franc and 2% Petit Verdot in the blend and only 13.5% alcohol while retaining very good acidity. The grapes were sourced from Gualtallary and were co-fermented. This is varietal with an herbal twist, serious, subtle and mineral with austerity and elegance, reflecting a very balanced and good year. It's medium-bodied, nicely textured and has a chalky texture from the limestone soils. 35,000 bottles produced. It was bottled in July 2020 after 15 months in ancient oak foudres. Superb!”

### About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
