BURGHOUND.COM

The ultimate Burgundy reference

“ There is better layering and much more sauvage character present on the smoky nose of wild dark currant, game and a whiff of herbal tea. The medium weight plus flavors possess a beguiling texture along with a pronounced minerality that adds a sense of lift to the moderately austere finale that displays notably better depth and persistence. Very good quality here. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
