**BURGHOUND.COM**

The ultimate Burgundy reference

“

A perfumed, cool and restrained nose grudgingly offers up its combination of red cherry, raspberry, soft earth and a background touch of oak. There is excellent energy if only average density to the beautifully textured, precise and lightly stony flavors that flash a hint of youthful austerity on the sneaky long and moderately firm finale.

This should repay a decade or so of keeping.

#### About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
