Chardonnay 2021

Robert Parker
WINE ADVOCATE

98 POINTS

“ I was shocked at the intensity of the 2021 Chardonnay when I first tasted it. How could a wine so young have this much flavor? It is polished, glassy and graceful. It unfurls in the mouth and soars long over the horizon. It's balanced and powerful, crouching at this early stage, but all the building blocks of greatness are here. A wine of extension, expansion and elegance—a formidable trio. ”

À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
