WINE ADVOCATE

**90 POINTS**

“The medicinal and balsamic 2020 Catena Chardonnay has pungent aromas of bay leaf and white flowers and a dry and balanced palate with some chalky sensations and tasty flavors. It has moderate ripeness for a warm and dry year like 2020 and good freshness. 282,000 bottles produced. It was bottled between October and November 2020.”

- Luis Gutierrez, March 2021

### À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
