Medium red. Wild floral high notes on the nose. All about energy and sap on the palate, showing excellent acid cut to the piquant floral, mineral and spice flavors. Strong calcaire pungency gives this wine a distinctly dry and uncompromising character. Finishes with very good mineral and floral persistence. Here's a 2011 that requires at least four or five years of cellaring. This and the following wines were bottled in September of 2013

- Stephan Tanzer, March 2014
