BURGHOUND.COM
The ultimate Burgundy reference

“ (from a huge 2.05 ha parcel). A background but not invisible application of wood easily allows the cool and pure essence of red and dark berry fruit aromas that are liberally laced by almost pungent earth, animale, humus and underbrush nuances to shine. There is terrific punch and muscularity to the big-bodied, intense and mineral-driven flavors that display excellent delineation on the beautifully complex and hugely long finale. This is a very serious and built-to-age effort that will require plenty of patience before it reaches its peak. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
