BURGHOUND.COM
The ultimate Burgundy reference

“ (from Charmes proper; from yields of only 18 hl/ha). Much more subtle though by no means invisible oak sets off beautifully layered aromas of plum, spice, earth and a whiff of underbrush character. There is terrific richness and density to the velvet-textured and voluminous flavors that possess a real sense of mid-palate density thanks to the abundant level of dry extract that also buffers the moderately firm tannic spine. This is at once a relatively elegant version of the appellation yet it is also altogether serious. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
