Malbec Angel Paulucci 2016

DescorChadOS

91 POINTS

“Angel Paulucci has a vineyard that was planted on sandy soils in the Ugarteche zone back around the early 1970s. According to winemaker Estela Perinetti, this vineyard usually gives very big, lush wines-but not in 2016, a cool year that turned Paulucci into a much fresher, more elegant malbec. A good version.”

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
