BURGHOUND.COM

The ultimate Burgundy reference

“ (vinified with 20% whole clusters). A much spicier and more floral-suffused nose blends a touch of wood with aromas of red and dark cherry and earth. The refined, pure and energetic middle weight flavors possess good delineation on the youthfully austere and sneaky long finish. This will need to develop better depth to merit the upper end of my projected range but it is already certainly very pretty. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
