Rosé of Malbec 2020

DescorChadOS

90 POINTS

This rosé is the product of malbec grapes from Tupungato but harvested early to preserve the freshness of the fruit. With 13% alcohol, this is a light and friendly rosé with very good texture and acidity. A rosé to drink in the summer.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
