# Descor ChadOS

**90 POINTS**

A malbec full of fruits with aromas of flowers and a very friendly texture, rich in smooth, round tannins and a mild sweetness. This comes from the traditional Angélica Vineyard beside the Mendoza River in Lunlunta.

## About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
