Cauquenina 2017

WINE ADVOCATE

91 POINTS

“The red blend 2017 Cauquenina is approximately of 40% Carignan, 30% País, 20% Cinsault and 10% Carmenere, quite different from previous years and higher in Carignan and with a notable percentage of Cinsault. It fermented at low temperature and matured in concrete and 5,000-liter oak foudre for six months. There is a little more rusticity here, perhaps the higher percentage of Cariñena this year. There is also a smoky and spicy note reminiscent of the Chilean spice mix called merkén, with some notes of graphite too. It's medium-bodied and has some dusty tannins.”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
