MAX FERDINAND RICHTER

Riesling Spätlese Veldenzer Elisenberg
2021

Robert Parker
WINE ADVOCATE

93 POINTS

“Picked in early November at 84° Oechsle, the 2021 Elisenberger Riesling Spätlese shows concentrated and focused fruit on the nose. Lean and straight on the palate, with thrilling acidity and lingering salinity that is enormously mouth-watering but dries out your cheeks, this is a future Spätlese that shouldn't be enjoyed before 2035 or maybe even later to save your stomach. The wine is concentrated, precise and focused, enormously vital and saline, and it should be great fun drinking this in 15-20 years. Bottled with 7.5% stated alcohol and 11 grams per liter of total strap-on acidity. Natural cork. Tasted at the domaine in July 2022.”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
