BURGHOUND.COM
The ultimate Burgundy reference

“Moderately firm reduction pushes the ripe underlying fruit to the background today. More interesting are the solidly dense and surprisingly powerful yet refined medium weight flavors that also display impeccably good balance on the lingering finale. This too could use a bit better depth but given the quality of the underlying material, more should almost certainly develop. A classic rendition.”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
