CATENA

La Marchigiana Malbec 2021

Descor ChadOS

93 POINTS

This is a selection from Catena's historic vineyard, Finca Angelica, on the banks of the Mendoza River in the Lunlunta area, at an altitude of about 920 meters. And it has the character of the wines from that place, the succulence of the texture, the aromas of violets and ripe red fruits, the sensation of depth and sweetness, the very soft tannins, as if they were round. And the finish that leaves a sweet and friendly sensation of fruits and flowers. A classic that is aged for about eight months in clay amphorae and has not been aged in barrels.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
