La Marchigiana Bonarda 2020

DescorChadOS

90 POINTS

“One to open in the summer, well chilled from the beginning to the end of a barbecue. This bonarda from sandy soils in the eastern zone at an altitude of 750 meters has the variety's fruity quality. It's generous in black fruits, but with a bonus of uncommon freshness.”

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
