**BURGHOUND.COM**

The ultimate Burgundy reference

“

A more elegant, and strikingly pure, if less spice-suffused nose speaks of essence of red cherry, discreet earth and a hint of forest floor trimmed in a whiff of wood. The delicious and vibrant

middleweight flavors possess even better delineation and more obvious minerality on the youthfully austere finish that also

reflects a hint of bitter pit fruit character. Lovely and understated in style.

#### About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
