BURGHOUND.COM

The ultimate Burgundy reference

“ There is enough wood framing the spicy and mildly exotic aromas of tea, orange peel and both red and dark pinot fruit. I very much like the texture and energy of the medium weight flavors that offer good length if only average depth at present though more should develop with a few years of keeping. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
