Descor ChadOS

91 POINTS

“With a small portion (10% of the volume) barrel-aged for 12 months, this wine is from vineyards planted more than 1,500 meters above sea level in the Gualtallary zone of the northern Uco Valley, at the foot of the Andes. It offers delicious ripe red fruit and spices, with a firm body full of sharp tannins, generous acidity, and deep flavors. A very good example of the variety's potential in this Andean region.”

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
