Beso de Dante 2021

LUCA

— Est. 1999 —

DescorChadOS

96 POINTS

The base of this Beso de Dante is cabernet sauvignon from El Cepillo, in the cold southern part of the Uco Valley, while the 30% malbec is from La Consulta, and the rest is cabernet franc from the Gualtallary highlands, above an altitude of 1,500 meters. The nose is dominated by the cabernet sauvignon's herbal and minty notes along with the classic black fruit of the variety, especially when grown in the foot of the mountains in South America. On the palate, the fierce, taut, juicy tannins are in command, and the acidity is nervy in a vibrant wine that's brimming with flavors of fruit, herbs, and spices. For the cellar, or drink it now with lamb curry.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
