“

I tasted the 2020 Nuestra Senora Del Tercer Gemelo on July 6, not long after it was bottled on April 27. It comes entirely from The Third Twin estate vineyard, where grapes are planted in pure sand. A blend of 54% Mourvèdre, 22% Grenache, 11% Syrah, 9.3% Petite Sirah, 3% Graciano and 0.7% Viognier, it was vinified using 30% whole clusters and matured around 31 months in 33% new French oak barrels. Its aromas are dense to begin, taking time to unfold from dark cherry fruit to savory tones of coffee beans and cocoa, shiitake and underbrush. Despite its aromatic reticence at this early stage, the full-bodied palate explodes with layers of black cherry candy, blueberry and violet. It's structurally seamless, with silty tannins and energetic acidity that balances its sheer concentration and gives an impression of etherealness and lift. It has a tremendously long, floral finish, and there's so much here still waiting to emerge. 425 cases will be released in January 2024.

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
