FAIVELEY

Latricières-Chambertin Grand cru 2016

“ Here too the wood treatment is subtle yet just prominent enough to warrant pointing out on the cool, pure and notably more sauvage nose of both red and dark wild berry and earth scents. There is a really lovely sense of underlying tension suffusing the much more mineral-driven middle weight flavors that are not quite as rich but notably more precise on the chiseled and wonderfully refined finish. Textbook. ”

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
