BURGHOUND.COM
The ultimate Burgundy reference

“ The mouth feel is once again quite fleshy and round and this impression is enhanced by the copious dry extract that buffers the moderately firm, dusty, clean and saline finish that displays sneaky good length. ”

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
