EL ENEMIGO

Bonarda La Esperanza 2017

DescorChadOS

92 POINTS

La Esperanza comes from an 80-year-old vineyard in the San Martín zone of the warm eastern Mendoza, where bonarda abounds and ripens without problems. The soil is sandy, with traces of limestone, and winemaker Alejandro Vigil has no problems harvesting early to obtain fresher fruit and the tauter tannins that have a greater connection to the soil. This has fresh bonarda fruit, tart blackberries, and herbs in our favorite El Enemigo Single Vineyard.

À propos de Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artisanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
