SANTA EMA

Cabernet Sauvignon Gran Reserva 2018

DescorChadOS

91 POINTS

“ With fruit from Isla de Maipo, along with 25% cabernet from Pirque in Maipo's Andean zone, this wine offers fruit and herbs in addition to smoky and toasted notes from the eight months of barrel aging. The texture is nervy and tense, with lots of tart red fruit flavors on the palate. A good example of the variety, especially when it's grown on the Maipo's alluvial soils. ”

À propos de Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
