*La Marchigiana Bonarda 2019*

# DescorChadOS

92 POINTS

“Despite the heat of eastern Mendoza, which usually produces heavy flavors and high alcohol, this is a fresh and vibrant red full of tension. Thanks to early harvests, it has firm acidity that helps the fruit express itself in a much juicier and livelier way. This bonarda was fermented in clay amphorae and then aged in them for eight months before being bottled.”

## À propos de Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
