#### À propos de Natalie MacLean

To fund her late-night vinous habits, Natalie MacLean holds down day jobs as a wine writer, speaker and judge. An accredited sommelier, she is a member of the National Capital Sommelier Guild, the Wine Writers Circle and several French wine societies with complicated and impressive names. The competition receives more than 6,000 books from 60 countries each year. The awards were created at the Frankfurt Book Fair in Germany ten years ago to reward those who "cook and drink with words." The book also won the Culinary Literary Book Award in the Cordon d'Or international culinary arts competition and was nominated for the Evelyn Richardson Prize for Non-Fiction at the Atlantic Book Awards. At the World Food Media Awards in Australia, Natalie was named the World's Best Drink Writer. The competition received more than 1,000 entries. An international and independent panel of 47 food and wine experts selected her from a short-list of 14 nominees from the U.S., Canada, U.K., New...
