## CATENA

### *Catena Appellation Luján de Cuyo White Clay 2021*

91 POINTS

“The 2021 Semillón - Chenin was produced with a blend of 55% Semillon and 45% Chenin Blanc from the Luján de Cuyo appellation. It was produced in a clean and fruit-driven way with moderate ripeness and alcohol (12.5%) and a vibrant and refreshing palate, round and balanced, with integrated acidity.”

#### À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
