**BURGHOUND.COM**  
The ultimate Burgundy reference

“

A bright and airy nose reveals its aromas of various red berries, herbal tea and subtle oak influence. The sleek, intense and juicy lighter weight flavors possess fine precision if only limited complexity on the youthfully austere finale. This attractive effort could be enjoyed young for its crunchy fruit.

#### À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
