Malbec Pizzella 2016

DescorChadOS

93 POINTS

“The Altamira malbecs, especially those from rocky soils, suck as those in the Pizzella Vineyard, tend to give well-structured wines like this one. There are floral notes here-lots of them-along with a healthy dose of red fruits and just the right amount of ripeness to be refreshing. This provides a very clear vision of Altamira from a vineyard planted 20 years ago by the Pizellas, a couple of phys-ed teachers from Buenos Aires who got bored of city life and went to live in the country.”

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
