Bonarda La Esperanza 2018

DescorChadOS

94 POINTS

La Esperanza is part of winemaker Alejandro Vigil's attempt to restore importance to the old bonarda vines that are planted in eastern Mendoza. Under the shadow of Uco or Luján de Cuyo, this is a warm area with generous soils that yield large quantities of grapes. But by managing the vineyard, restricting volumes, and harvesting earlier, they can obtain bonarda like this one, with a firm tannic structure and tense acidity as well as the variety's classic lush and generous black fruit flavors.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
