CATENA

Zapata Adrianna Vineyard Chardonnay White Bones 2020

99 POINTS

“ The nose of the 2020 White Bones Chardonnay is an explosion of thyme and rockrose, aromatic, open, expressive, outspoken, showy and exuberant. It also has notes of white flowers and citrus, pine needles and incense, continuously developing new layers, curry, something smoky, more and more aromatic herbs, nuanced, complex and with a magnetic attraction that makes you go back to the glass over and over again. This was harvested all at the same time, whereas it was sometimes harvested over four different moments in the past; so this is a bit different and an extraordinary year for this wine, transcending the conditions of the year, with lower alcohol and pH (12.5% and 3.1) than the 2021, despite coming from a warmer year. This is very tasty and long, stony (more than White Stones!) and very persistent. Amazing juice! 5,760 bottles produced. ”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
