Zapata Adrianna Vineyard Chardonnay White Bones 2021

“The 2021 White Bones Chardonnay was harvested at two different points of ripeness and then blended into the final wine, which is subtler than the explosive 2020 I tasted next to it but with the same palette of aromas—thyme, rosemary, lavender, rockrose, white flowers, citrus, pine needles, incense, curry and spices—and the palate is seamless, mineral and with a chalky texture. It's brilliant and expresses the variety, vintage and soil perfectly, but today I give the edge to the 2020, which I think transcends the vintage.”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
