DOMAINE NICO

Grand Père 2022

DOMAINE NICO

Sœur et frères

Descor Chados

92 POINTS

For this Gran Père, they used grapes from the first vineyard that the Catena family planted in the Uco Valley, around 1993, in the Villa Bastías area, at an altitude of about 1,100 meters. It's a selection of two hectares neighboring the Grand Mère, Domaine Nico's other cru, and in this case—according to winemaker Roy Urvieta—the sunniest area tends to produce darker fruits and greater volume. This offers black fruits, but also a very good acidity that provides freshness, which gives vitality. The tannins are firm and sharp, and the fruity flavors continue to refresh until the end.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
