

MAX FERDINAND RICHTER

Riesling Kabinett Veldenzer Elisenberg 2018

Mosel Fine Wines "The Independent Review of Mosel Riesling"

92 POINTS

The 2018er Veldenzer Elisenberg Riesling Kabinett was harvested at 84° Oechsle and was fermented down to fruity-styled levels of residual sugar (50 g/l). It offers a beautiful nose made of white peach, cassis, gooseberry, pear, laurel, herbs and spices. The wine develops the delicate creaminess of a Spätlese on the otherwise nicely crisp palate. The finish is long and nicely fruity. Ripe mirabelle and some herbs join the zesty side in the after-taste.
