

FAIVELEY Corton Grand cru Clos des Cortons 2015

Antonio Galloni (95-97) **POINTS**°°''

(entirely destemmed, as these thick-skinned grapes were extremely high in tannins and total polyphenols): Saturated dark red-ruby. Distinctly dark aromas of black cherry, licorice and violet convey an impression of medicinal reserve. Powerful black cherry, crunchy raspberry and licorice flavors boast remarkable intensity and energy but come across as less austere at this stage than normal. A huge wine with the structure for a 25-year evolution in bottle but there's something almost feminine about its fine-grained texture. The major tannins are totally supported by fruit on the classic, penetrating, extremely long aftertaste. A great wine in the making. (Erwan Faiveley noted that this was the most impressive must he's ever tasted.) The IPT (indice polyphenols totaux) here is a whopping 90, compared to a normal 50, according to Jerome Flous, who added that the record for this cuvée was 103 in 2005.

About Vinous

Vinous is our vision of a modern-day wine media platform that places consumers inside the conversation and encourages them to form their own opinions. Vinous brings together professional reviews, the stories behind the wines and the perspectives of our readers in over 55 countries using multimedia and leading edge technology. We visit hundreds of wineries each year, allowing us to offer unparalleled, first-hand insight into the world of wine. Since launching in May 2013, Vinous has become one of the fastest growing wine content websites in the world. Regular features include comprehensive reviews of new releases from the world's major wine regions, vertical tastings and retrospectives, in-depth videos shot on location, Vinous Table, where we profile our top eating and drinking destinations. In November 2014, Vinous announced its acquisition of Stephen Tanzer's International Wine Cellar. Please also see the Frequently Asked Questions.
