ASHBOURNE

Sauvignon Blanc Chardonnay 2018

Ashbourne

International WINE REPORT

90 POINTS

“The 2018 Ashbourne white is composed of Sauvignon Blanc (80%) and Chardonnay (20%). It opens with aromas of white peach and gooseberry on the nose with some salted almond tones that round out the aromatics. The palate is highly refreshing as the wine unveils a notable richness and combination of citrus rind, tree fruit and with melon undertones that persist through the finish.”
