Barolo San Rocco 2018

Decanter

the world's best wine magazine

94 POINTS

“ San Rocco typically produces Barolo with a darker character compared to the other MGAs of Serralunga. Here, black cherry and blackberry are joined by mint and chocolate, with an intense menthol depth. The attack is dense and full, followed by austere tannins, refreshing acidity, plenty of mid-palate weight and a thick finish. Its sternness dominates the aftertaste, which seems to be less expressive than expected. There's good potential for ageing here. ”
