DOMAINE NICO

Grand Père 2020

Robert Parker
WINE ADVOCATE

92 POINTS

“The difference between the 2020 Grand Père Pinot Noir and the Grand Mère comes from the soils, and this suffers less in warmer years because the plants get less stressed and have more water. So, within the riper style of the year, this has more austerity, but it's still juicy, medium-bodied and fine-boned, with 13% alcohol and some spiciness from the barrels in the finish. 14,994 bottles produced. It was bottled in December 2021.”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
