Barolo San Rocco 2019

Robert Parker
WINE ADVOCATE

94 POINTS

“an Rocco is a small MGA located on the northern side of Serralunga d'Alba with steep slopes that open toward Cerretta with clay and limestone. The 2019 Barolo San Rocco (with 7,300 bottles made) benefits from tighter space and a protected microclimate to produce powerful wines. However, this vintage certainly needs more time in bottle and is nowhere near expressing its full potential now. The bouquet is rigid and unyielding at this time.”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
