SANTA EMA

Syrah Gran Reserva 2020

DescorChadOS

92 POINTS

“ Santa Ema buys syrah grapes in the coastal Leyda Valley, and uses them to produce this deliciously fresh red with rich acidity and sharp tannins that invite you to continue drinking. Unlike many coastal syrahs, which tend to be exuberant and lush, this one tips toward freshness in a wine that's linear and refreshing, and at a price that has to be one of the variety's best bargains in this price range. ”

À propos de Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
